The following articles are to be furnished by the student: An extra wool or down comfort, four single sheets, four pillow cases, six table napkins, towels, and couch cover, cushions and curtains if desired. In order to secure uniformity the college prefers that the napkins be purchased from the Director of the Refectory. These may be secured at wholesale price.

Students are urged to observe simplicity in dress. Extravagance in material or in style of clothing is unsuitable for college students. Extreme evening dresses will not be permitted.

Blue serge bloomers and white middy blouses are required for gymnasium and sports.

A printed list of all students registered for the session, with their home and Sweet Briar addresses, will be sent you early in September. This is your notice of the location of your room and the name and home address of your room-mate. The list is sent at the earliest date possible. *Do not write about your room or room-mate.*

All rooms are comfortable, and comfortably furnished. There are, however, no private baths in the Residence Halls.

There are no suites in the Freshman Halls.

Freshmen are not placed in Carson or Gray, as these are exclusively upper-class Halls.

Certain Halls have a limited number of single rooms, which will be assigned in order of application when request is made for a single.

College opens September 21. You are expected to arrive on September 20. The Residence Halls are not open for occupation before September 20.

All entrance examinations will be given at Sweet Briar on September 21 and 22.
